

The Tatler

Presented by The Class of '65

Alton Senior High School
Alton, Illinois

DR. J. B. JOHNSON Superintendent of Schools

Meeting with administrators.

Public high schools in America have been designed for the benefit of all of the pupils. The academic and vocational programs have been emphasized; however, the co-curricular programs play an important role in the educational development of all pupils. They should strive to do their best at all times.

Good high schools should prepare pupils for college and/or business or industry. To do so, the schools must inspire the pupils and develop enthusiasm for reading, independent study, individual thought, and effective expression, both oral and written. This kind of education cannot be made obsolete by automation and other technological changes within the pupil's life span.

Graduates of Alton High School must be able to stand shoulder to shoulder with the best graduates of all other high schools and assume responsible positions in society as good citizens. Competition today is the greatest that we have ever met. Nevertheless, there will always be room at the top for those who are willing to think and to work. A philosopher has said, "A man may fall many times, but he is not a failure until he claims that someone pushed him."

Best wishes for success.

J. B. Johnson, Ed. D. Superintendent of Schools Alton, Illinois

"Every production of genius must be the production of enthusiasm."

"Time stands still only for those who have lost their enthusiasm."

MR. MACY PRUITT, Administrative Assistant in charge of Junior and Senior High School Curriculum

"At the close of school a few years ago a first grade pupil overheard a kindergarten pupil boasting about his promotion. He tried to deflate the kindergartener's ego by saying, 'You'll find first grade work mighty rough!"

"It was 'rough' compared with the previous year's work. But the record shows that the kindergarten pupil continued to make excellent grades. He can do the same each succeeding year in school and on the job in business or industry. It is a rule of life that finishing the lesser tasks prepares us for the greater ones."

"It is of utmost importance that we continue to recognize and give special attention to the individual needs of all students as early as possible in our educational programs."

"The school must adjust the curriculum to the learner rather than the learner to the curriculum."

The Alton Senior High School hopes to provide a basic curriculum for all students and a depth in content for those who are capable. The school attempts to do this through teaching the students study skills, individual responsibilities, to have an inquiring mind, and to gain satisfaction in learning as well as to gain talent for effectual human relations.

Our New Addition

The 1965 school year welcomes a new addition to our campus. This new building includes twenty-two new classrooms which bring the total number of classrooms in the Annex to thirty-four. An outstanding feature of the new building is that if turnishes the entire Annex with air conditioning.

An attempt has been made to provide almost all subjects in the Annex so as to reduce the number of students traveling from one building to another.

Our new cafeteria, which facilitates six hundred students at one time, is a great improvement over our previous one. It allows the student more time to eat his meal as well as providing a pleasant atmosphere.

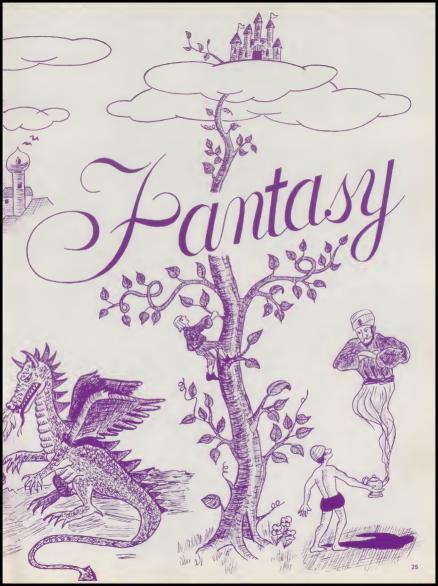

Foreword

The 1965 Tatler presents the leadership, scholarship, sportsmanship, and development of personality that you have gained here at Alton High. Your life here has been a colorful one and we have tried to show its many facets.

On the surface, it is probably true that there is not much difference between one school year and another; but below the surface each year has a different individuality and character all its own. We hope to have captured some of this character in the '65' Taller.

This annual is your guide to the memories of this year . . . its laughter, its tears, its joys, and its adventures. It is our hope that this yearbook will serve to spark memories for you in the years to come.

C'mon out of there, Doc, things aren't that bad.

We're protected by that invisible shield!

I'll bet he says that to all the dogs.

If someone bumps into me once more, I'll . . .

Leader of the AUTOMAT!

Um-m-m-m GOOD

8:30

The things a person goes through to get a soda!

That guy, he's the one that got in our way.

And now you are qualified to turn on the switch.

Who, me???

You're going to ruin your eyes sitting so close to the television!

A fella gets tired of standing on his feet all day.

Oh Gee Pati It's really very simple—Cha-Cha-Cha.

"There's that boy with the Beatle Haircut!"

"Can you tell me which way the Playboy Club is?"

"Hey, who stole my garlic and onion sandwich?"

I get rubber in all four gears.

The things they drive to school nowadays!

I don't care if you have a headache—Do the scene over again!

I don't want to influence your vote, but . . .

And back here we are starting the swimming pool.

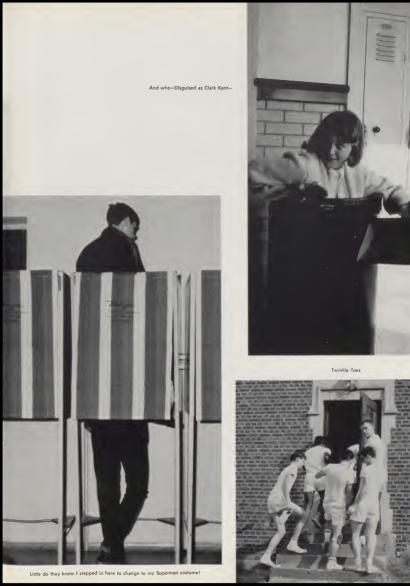

I can think better when I'm by myself.

Fake . . . Fake!

I'll bet he won't pick this pocket again!

And who, disguised as a mild-mannered Assistant Principal, is in reality the parking lot attendant!!

Go directly to jail; do not pass go!

Get the picture?

Gee, that new cafeteria's going to be swell!

Look at those muscles!

M-m-m-m GOOD. STRAWBERRY!

That's the last time he'll give me any trouble

On Friday, May 15, after final eliminations, there were six individual Alton team rembers plus the mile relay team remaining in competition. Dave Walls, who throws the shot-put 55 feet, 6 inches, and Otis Hall, who pole vaults at 13 feet, were eliminated in the trials the day before. Ken Fessler, a 22.5 second 220 yard dash runner and make it to the semi-finals, but was eliminated in his heat of the 220 yard Leroy Johnson had qualified in the 180 yard low hurdles only, and Ph'l Danton had been dropped from the 880 by Coach Wigger so that he could runcentrate on the mile relay.

Jim Jordan gave his best efforts in the pole vault the first event of the day. A very consistent vaulter. Local bad qualified the day before with a 13 foot vault. te repeated his performance and earned a south place.

In the second event, the 120 yard high hurdles, Andrew and Leroy Johnson appeared as Alton's entries. A view swept the field to gather Alton's first live points and Lergy ran a close sixto

Next, Tom Keenan a 9.9 second sprinter, came through to a fifth place in the 100 yard dash to give Alton its sixth point.

Maurice Pittman gave Alton its most ple sand surprise of the day by finishing first in the 440 yard dash. Prior to the data meet, his best time was 51.1 seconds, which he ran in the District meet. Hillman started, in the second lane and maintained a strong third or fourth place for most of the race; but coming out of the last curve, he boad ahead to win in a time of the seconds, light four tenths of a second slower than the state record.

At this time, Alton had 11 points all has Time and Islanston standing at 9

The last event was the mile felsy, which New Trier was expected to win. Alton could win the meet by placing first or second and could tie with New Trier be placing third.

The first three boys, Maurice Pittman, Tom Keenan, and Phil Dourson, ran excellent races, keeping Alton in a strong second position. After taking the state championship in 1963, the Redbirds came back for a comparatively slow start. The Birds breezed through two indoor dual meets with East St. Louis and Soldan of St. Louis, then placed second in the Oak Park Quadrangular. The Redbirds then fell to a third in the St. Louis Open Track Meet, being somewhat hampered by the temporary loss of Andrew Johnson and Richard Swift due to injuries. The next week with Andrew back in the running, Alton tied for fifth place with Phillips of Chicago in the Oak Park Relays, which Alton had dominated last year.

Soon the Alton Redbirds' familiar winning style began to show through. After steamrolling Granite City in a 95½-22½ dual, Alton captured its own Invitational Relays title, the Hirst-Busch Relays title, and swamped East St. Louis in a 107-70 battle in the Conference Relays. After the Conference Relays Alton continued its usual show of power by holding down Lincoln and Edwardsville in a fast-moving triangular. Next the Alton team travelled upstate and brought home the first-piace trophy from the Normal Relays. Back at home the Alton Redbirds dominated the County Meet and the East St. Louis Relays, leaving only one meet between Alton and the State Track Meet.

Mr. Davis takes time out to help a fellow sportsman

At the District Meet, highly favored Alton won with 62 points over second-place Lincoln with 36 points. But far more important, Alton qualified 10 individuals and both relay teams for the state meet at Champaign-Urbana.

The following weekend the Redbirds, the defending champions, held on to their title in a furious battle with New Trier to win 19-18.

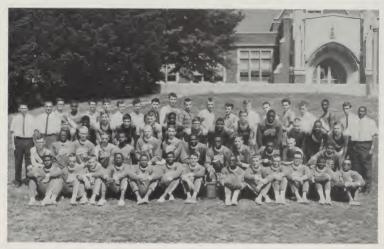

Afterwards, the Redbirds returned home and had no trouble capturing their own conference crown.

Besides winning the state track meet this year, our track team was undefeated in the outdoor season. This is a record which speaks for itself. Speaking for the Tatler Staff and the student body we offer our thanks to Coach Wigger and the Alton High Redbirds for one of the greatest track seasons we have had.

Baseball

After winning the 1963 District Championship, the Redbirds came back for another fine season. The Birds finished the regular season with a 12-9 record, but ended on a rather unhappy note by losing their first game of the District competition, giving them a 12-10 overall record.

On April 9 the Birds broke a three-game losing streak by beating the Wood River Oilers in a 5-3 victory. All fiver uns were scored in the third inning when Woofe, Brooks, Scheer, Hardimon, and Pace each scored one.

The next week Alton gained a close victory over Southwestern in a non-conference game. Brent Gwillim had a no-hitter going until the sixth inning when Southwestern rallied and tied the score before relief pitcher Mike Vandergriff gained control. The 5-5 game went into an extra inning when the winning run was scored by Alton.

Two days later at Belleville the Birds edged the Maroons in a conference game. Denny Wooff was forced home on a walk and Randy Pace scored on a hit by Gary Boyd. Dave Stalker pitched for Alton, striking out four and allowing only two hits.

The Granite City Warriors were barely edged in a 1-0 contest. The only run of the game was scored in the third inning when, with the bases loaded, Randy Pace came across on a bunt by Denny Wooff.

On April 22, Mike Vandergriff pulled the Redbirds out of a tight spot in a game against East St. Louis. Relief pitcher Vandergriff came into the game in the first inning with three men on and no outs, but he allowed only three hits the rest of the game. Dave Stalker drove in two runs on two singles to top off the 3-1 victory.

In the first game of District play Alton ran into some hard luck and was nipped by the Wood River Oilers in a 1-0 loss; this last game of the season put Alton out of the District contest.

The Alton High golf team had a highly successful season this year with Belleville, the only team that actually posed a serious problem. The Birds finished the season with a 13-3 record.

The Redbirds downed Assumption and Marquette twice in dual meets and beat Wood River and Lebanon twice in triangulars. Other victories were over Western Military Academy, Granite City, Collinsville, and O'Fallon. On Saturday, May 5, Alton participated in the Quincy Invitational, one of the more important tournaments of the year. The hard-hitting Redbirds finished a respectable fourth in a touch field.

They were unable to break the Belleville jinx, placing second to them in a dual and in the Conference standings also. In the District tournament they came through to a strong fourth place but still were unable to beat the strong Belleville team.

We wish to thank Coach Matthews and the team for the fine job they have done.

Tennis

In their second year of varsity tennis the Alton High netmen finished the season with a 7-6 record.

The Birds won twice over Collinsville and Western Military Academy, but were blanked twice themselves by a strong Belleville team.

Although the Redbirds finished the season with an average record, they placed highly in the most important matches. Under Coach Carey the Redbirds tied for a second place in the District tournament.

This is Coach Carey's last year with us and we thank him especially for the fine teams he has produced for us. We also wish to thank the tennis team for their fine work.

Football

Our 1964 griding season began at Quincy, Illinois, on September 18, against the Quincy Blue Devils. The Devils proved to be devilish and defeated Alton 12-0.

The second game, against our cross-town rival, Marquette, was a surprising upset. Although Alton gained almost twice as much yardage as the Explorers, the Explorers got the yards that counted and won 14-0.

Another traditional rival, East St. Louis, defeated Alton the following week 32-7. Alton's single touchdown was scored by Dave Joehl.

Alton's fourth defeat came at the hands of Granite City, who won 13-0.

On October 17, the Big Red traveled to Decatur to play MacArthur High School. The Redbirds fought stubbornly and scored their first victory, 19-0. Our three touchdowns were scored by Joehl, Wallendorf, and Dan Kennedy.

The following weekend Alton again played a strong game and held Edwardsville in check 20-0. In the next three games, Belleville, Collinsville, and Wood River delivered three costly defeats to Alton with scores of 35-0, 35-7, and 34-0, respectively.

In the last game of the season on November 20, the team showed Alton's traditional winning style and overcame Hannibal 34-12. Dave Joehl and Fred Wallendorf scored two touchdowns each

and Larry Kolesa scored the fifth touchdown.

This gave Alton a season's record of 3 wins and 7 losses. However, neither the scores of the games nor the winning or losing of the games is really important. From a previous TATLER come the words: "Win or lose, we accept the terms of competition; our reward: a deepened character." This is applicable to our team this year. Each member exhibited and upheld the spirit for which Redbird athletes are well-known. Never once did our players admit defeat by their actions on the field. The tenacity and perseverance, coupled with excellent sportsmanship is the most essential and meaningful element of a great football team.

The team, as a whole, showed commendable sportsmanship and played admirable football. Three players, in particular, were honored by being chosen for the All-District Football Team: Frank Kozicky, guard; Gaylen Osborne, guard; and Fred Wallendorf, fullback.

Too many cooks may spoil the broth, but, as far as football coaches are concerned, this adage does not hold true. The 1965 TATLER Staff wishes to thank the coaching staff of Mr. Ralph McClain, Mr. Richard Johnson, Mr. Pete Stavros, Mr. Jack Tanner, Mr. Felix Macias, and Mr. Wilfred Buddell for their excellent support in encouraging and coaching our team. The TATLER Staff also wishes to thank the team for their stubborn spirit and determined playing.

Cross-Country

The 1965 Redbird cross-country team had a highly pleasing season. Besides winning numerous dual meets, the team placed fourth in the thirty-five team Beaumont Invitational Meet in St. Louis, and also received fourth place in the Edwardsville Invitational. The Redbird barriers placed second in the Peoria Invitational, a meet composed of thirty-three of the best teams in Illinois. In the Southwestern Conference Meet, the Redbirds finished first, far ahead of the closest competitor. Belleville. Alton has never failed to place first or second in the District Meet in order to qualify for the State Meet. This year was no different as the Redbirds again overcame their strongest competition, Belleville, on our own Rock Spring Park course. The following weekend the Redbirds placed fifteenth in the State Meet.

We think that this record speaks for itself in complementing our team for their efforts, and, with four juniors and two sophomores lettering this year, next year seems to promise just as exciting a season. Thanks from the Tatler Staff to both Mr. Wigger and the boys on our cross-country team.

Basketball

Under the direction of a new coach, 'Mr. Ralph Sterrett, the Alton Redbirds stepped onto the boards for the '64-fc5 basketball season. Although the season is less than half-finished, Mr. Sterrett, who replaced Mr. Hermon Edwards, has shown himself an able leader for the Redbirds.

The Redbirds played a surprisingly strong Mt. Vernon team on November 28 for their opener. Although our defense was good, offensive play did not develop and the Redbirds fell, 53-42. In conference play on December 4, the Redbird cagers squeaked by the East Side Flyers, scoring 46 against the Flyers' 44. The next day the Birds suffered a reverse and lost to Jacksonville, 66-53. Although the Birds lost the first game of their own Invitational Tournament, it was one of their best games and the Redbirds were really pounding the boards. The DeAndreis Wildcats, doing some pretty wild playing, won by a scant two points in an 82-80 showdown. On the next day the Birds kept up their fine playing and defeated CBC, 63-61, giving them third place in the four-team tourney.

At Wood River, Alton took its first conference beating. The game was highly exciting, with both teams constantly challenging for a lead, but, the Oilers held out, unfortunately, and won 66-63. On December 19, the Birds again fell in a very close game with a 46-44 score in favor of Mater Dei.

Jeffries leaps high for the save.

Jeffries controls the boards.

Alton gets caught out of position.

The Redbirds, seeing some holiday action, shot into the quarter-finals of the Carbondale Invitational Tournament, after a tight game with highly favored Evanston, winning over the Wildkits, 47-45. Our hopes in this tournament were short lived as West Frankfort dealt the Birds a tough loss, 67-55. At the last game up to this point in the season, the Redbirds, seeming to thrive on very close games, closed over the Granite City Warriors 67-65.

As the record stands now, Alton has won four and lost six—not quite breaking even. However, in our own Conference, we rank 2-1, second only to the powerful Collinsville team who has a 3-0 record. Our next game will be a deciding factor in our conference future as we play the Kahoks on their own court, January 9. If we win, we will be tied for a first place in the conference and could well go on to the championship.

We're all hoping that Coach Sterrett and his Redbirds can haul in some important victories in the rest of our season. Here's wishing our boys the best of luck from the '65 Tatler Staff.

Later in the evening the Dream Girl Coronation was held. The master of ceremonies, Jack Penning, announced the Queen and her maids. The following maids were led to the throne: Barbara Drake was escorted by Dave Baughn, Donna Kennedy by Don Miller, Cheryl Killion by William Thomas, and Olivia Pollard by Dale Parrish. Last but not least, the Dream Girl for 1964-65, Karla Fiedler, was escorted to her throne by class president, Larry Mills. "Parisian Holiday" proved to be a very exciting and thrilling evening.

She always gets to play that note.

Get out of here with that camera, you silly boys!

On your mark, get set. . . .

One for you and two for me

Sorry, Dave, but the school doesn't give platinum alphas.

"Whatta ya mean you don't want any pictures of me?"

Hurry, or we'll miss our favorite study hall!

Who says No-Doz really works?

Well, if it's a mouse-one of you get him!

Roll that one a little tighter, please

Chomp, Chomp, Glurp!

I'm not tired. Who's tir-r-red?

"Hey, Mike, Look! It stretches!

If I can only get in here before the passing period.

Hold it, put that thing away! I'll give you back your doughnut.

Maybe it would open if I took my foot off it.

"Hey! You sure Fred Astaire started this way?"

Never kill a snake with your bare hands.

"Thirteen o'clock?"

Run, Jip, run. Oh, gosh, I hate these animal stories.

Notice the interesting bone structure of this lamp.

Z-Z-Z-Z-Z-Z-Z

Big brother's watching you!

Follow the yellow brick road . . .

How do I love you . . . Let me count the ways.

This test will add no appreciable amount of fallout to the atmosphere

"That's right, we're trustworthy, studious, valorous, clean and reverent!"

"What's the matter, didn't you eat your Wheaties today?"

You can always tell a Halo girl.

Sure, sure we know.

"Better duck, Fred, here comes another flock of 'em!"

"Hey, this is more fun than tinker toys!"

How tall did you say he was?

Thanks Jonesy, that is an awfully clean floor.

I sure wish I could sit with the boys. .

Gee, this carmel lipstick tastes good!

June? . . . June . . . moon, spoon . . . croon . . .

I'll put this one on my desk, this one in my purse, this one on the mantle.

Insert A into B, then bend back along the dotted lines.

"If the Tatler guys hadn't come along, I'd still be asleep like everybody else."

"Are you sure that's the way you make Eggs, Benedict?"

"Sometimes I just don't feel like trying to get up those *&!? . . . stairs."

Scoobie doo!

Hey, here comes Mr. Softee!

The salt-water taffy specialists at Grandma Summers' Candy Kitchens.

Wait till I get a hold of the guy who put gum in my earphones.

Only 43,000 more and I'll be finished.

I sure like these peppermint microphones.

But, I didn't do it!

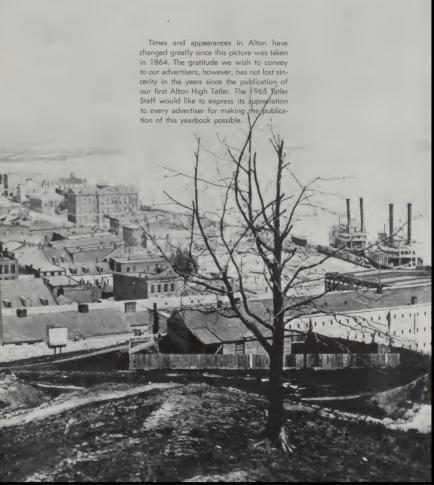

Editor's Message

This 1965 Tatler has been written for you as a record of your many activities. I hope you will keep this yearbook, return to browse from time to time, and remember the things you did, the teams you cheered, the clubs you joined, the fun you had, and, most important, the friends you made. I hope you will always cherish the good friends and good times you had here at Alton High. Our goal on the Tatler Staff has been to capture the essence of your high school days so that each of you may look back and remember them with pleasure.

I would like to thank the entire staff for the excellent job that has been done and for all the hard work that has been put in to assemble this yearbook. Special thanks go to our advisor, Mr. Dale Livengood, who has made this book possible.

WE'RE GOING WITH YOU

Whether you know it or not, almost every day of your school year you've used a product made by Olin Mathieson, or one that Olin Mathieson helped to make.

Once you're established in your life's work, you'll probably hear a lot more about Olin Mathieson. A good many of you may have business with us, and a few of you may even come to work for us. There will be room because Olin Mathieson is growing. When Olin Industries, Inc., merged with the Mathieson Chemical Corporation in August, 1954, they brought together the skills, facilities, and resources of two of the country's most rapidly expanding industrial organizations.

We extend our best wishes to you. May the future bring you all you've hoped for and everything for which you have worked.
